

India AI Impact Buildathon **CERTIFICATE OF PARTICIPATION**

This is to certify that

UDITYA PATEL

has successfully participated in the **India AI Impact Buildathon**, a nationwide AI innovation challenge conducted at the India AI Impact Summit 2026.

By engaging in AI-led problem solving alongside **40,000+ participants across India**, you have demonstrated initiative, technical curiosity, and a commitment to building solutions for real-world national challenges. We commend your effort and encourage you to continue building impactful AI solutions.

Arun Prakash M

Founder and CEO, HCL GUVI
